

The Chetwynd Communications Society has an exciting full-time opportunity for a Business Manager in Chetwynd, BC.

Step into a dynamic role where you will oversee operations, manage staff, and drive financial growth — all while being part of a vibrant community in The Peace Region.

We are seeking a proactive and dynamic Business Manager to lead the day-to-day operations of our organization.

This individual will coordinate the activities across various departments with a focus on business development, staff management, and financial oversight.

The Business Manager will report directly to the Board of Directors and will be instrumental in making key decisions to drive the organization's success.

The successful candidate needs to understand community-based media, its role & the relationship with community members at large.
